Spring Neighborhood Cleanup

We cannot accept debris from construction, demolition or remodeling, nor yard debris, kitchen garbage, or commercial waste. No hazardous waste or recyclable materials (except metal). Metal that is separated from other materials will be accepted for recycling.

No se aceptarán escombros de actividades de construcción, demolición, y/o remodelación, como tampoco desechos de cocina ni de jardinería. Tampoco serán aceptados residuos o desechos comerciales, ni de materiales peligrosos o reciclables, con excepción de metales. Se aceptarán metales siempre y cuando estén separados de otros materiales, para su reciclaje.

The Goodwill van will be on site for reusable items & e-waste.

Your volunteers reserve the right to refuse materials that appear unsafe, unsanitary or otherwise unacceptable. Please come prepared to unload your materials. **Be nice! Everyone is volunteering their time for this community effort.**
